

Advanced Training Programme in Statistics for

College Teachers and Research Scholars in Statistics

November 18, 2013 to November 22, 2013

OBJECTIVE OF THE PROGRAM:

- ◆ Develop a broad perspective among the members of faculty in statistics.
- ◆ Enhance their knowledge and understanding of recent developments in statistics and probability.
- ◆ Train them to integrate modern technologies in their teaching and research practices.
- ◆ Facilitate them in improving their communication and presentation skills.

We expect to achieve this through interactions among the faculty members and with resource persons experienced in specific areas.

TOPICS TO BE COVERED: Probability Theory, Distribution Theory, Stochastic Processes, Linear Algebra, Statistical Inference, and Reliability and Survival Analysis.

RESOURCE PERSONS INCLUDE: Prof. B. V. Rao (CMI, Chennai), Dr. G. Ravindran (ISI, Chennai), Dr. Rituparna Sen (ISI, Chennai), Dr. Sudheesh Kumar Kattumannil (ISI Chennai), Prof. T. Parthasarathy and Prof.M.R. Srinivasan (Univ. of Madras, Chennai).

VENUE: Department of Statistics, Indira Gandhi college of Arts and Science, Puducherry-9.
