

Seminar Announcement

Speaker: Arup Bose

Affiliation: Indian Statistical Institute

Date: 20th September, 2017

Time: 10:30am - 11:30am

Venue: Indian Statistical Institute, 37 Nelson Manickam Road, Aminjikarai, Chennai.

Title: Introduction to large random matrices.

Abstract: Large dimensional random matrices have been studied and applied in several branches of science such as statistical physics, wireless communication, mathematics and statistics. This lecture will introduce some spectral properties of a few basic random matrices and indicate some uses in the emerging applications of random matrices to high dimensional statistics problems.

Tea/Snacks will be served after the talk.

Please forward this notice to anyone who you think may be interested.

Regards,

Seminar Coordinator.
